

Middle School 80's Dance

By: Alexander Dawson & Phil Valenzano

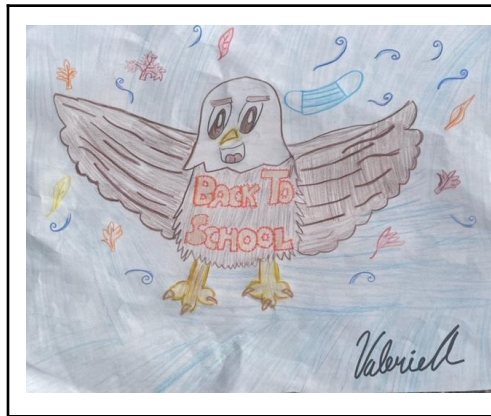

The dance took place on the night of September 24 at the basketball court behind the Catholic Academy. It was amazing. It was well attended by the middle school students. The teachers were there as well. The students were able to request songs that were submitted to the office and the DJ played. There were "dance battles" and whoever won got no homework for a specific subject. The PVG provided the water, chips, and other party favors. The dance was a great way to start off the middle school year!

Over the years at CAS, our backyard has been used and loved, but Miss Brady thought it was time for a new and improved backyard. The PVG added new basketball hoops for the court and new bases for the kickball field. Along with the improvements, new gaga ball pit was added, which has been a very popular addition.
