Craig's First Christmas

By: Michael Garofalo & Katerina Koutouvides

While sleeping a bright light caught my eye. I turned my head and saw a star larger than the rest, far off in the distance. It seemed very unusual but important at the same time, so I flew toward it. I was flying for hours but I was determined to find out what the star meant. Finally, I saw it, a manger, and there lay a child. I saw a woman and she extended her arm to me, and I felt a sense of peace.

A New Years Poem

By: Robby & Joey Grande

As the year ends,
It's time to gather with family & friends.
The New Year
Is almost here.
As we drink hot cocoa,
We see the snow,
Falling outside the window.
As we wave goodbye
To family and friends
We will not see until the year ends.
