School Dance

By: Elliott Browne, Angelique Dawson & Adriana Moyano

On April 29th the middle school had a luau themed Spring dance. It was attended by the 5th-8th Graders. The DJ played many group dance songs. With the students and even some teachers joining in. The 8th grade collected song requests during lunch before the dance, The songs were then put into a playlist, and played at the dance. This was the 2nd dance this year and it was another success. The PVG did a great job! Thank you!

Easter Festivities

By: Daphne Suarez-Ferrer & Sariah Lima

On April 6th, the 7th, and 8th, and their PRE-K buddies had an Easter egg hunt. The hunt took place inside the church hall and out back by the PRE-K playground. Most of the eggs were out in the open, the rest were hidden, so it was easy for their buddies to find. The kids also got tons of little goodies in their Easter eggs. It was a really fun activity for the older and younger students.
