- Spanish/English dictionary.

Art: 1 package metallic sharpies.

June 2025

Dear Catholic Academy of Stamford Students,

Congratulations on completing another year. In order to better prepare yourself for fifth grade, you are being asked to complete one summer math packet and one summer reading assignment.

The attached documents provide you with the different assignments that you need to complete. Please carefully read the directions and make certain that all the parts are completed in order to receive a grade for your work/effort.

Math packets and reading assignments will be collected on the first two days of school. You can also bring it on the designated Sunday when you drop off your supplies.

Sincerely,
Mr. Favata

Summer Reading Assignments

- Choose at least one book to read. This must be a 5th grade level reading book and the content must be appropriate. No comics or graphic novels for this assignment. You are allowed to choose up to two for this assignment (of course you are encouraged to read as much as you want independently).
- Do a page and a half report on what you have read.
