

BEYOND THE BELL S3

Beyond the Bell programs for 2026 for Session 3
April 3rd - May 29th

Programs are designed for students PreK4 through Grade 8. Each program strives to create positive attitudes, as well as improve communication, listening, and peer relationship skills. Your child will be challenged in a safe, creative and fun environment (see descriptions attached). All clubs are held on campus and begin at 2:15 pm and end at 3:15 pm, unless noted otherwise.

Please arrive on time to pick up your child, your child will be placed in Aftercare if they are not picked up by 3:20 pm.

Please provide your child with a separate peanut free snack and water bottle for the Beyond the Bell class.

All sign ups will be via Sign Up Genius. If you were able to sign your child up they will be in the class, no further confirmation will be sent to you. If you would like to be placed on a waiting list for a full class please contact Mrs. S in the office. You will be contacted if a spot opens up. Do not contact the instructor of the class, all waiting lists go through the front office.

Refunds for dropped classes will not be given after the second class. Missed classes due to weather or change of schedule may be made up at the end of the session or an agreed upon day with instructor and students/parents. Please remind your child of their class on the specified day.

Step into magical worlds and discover new adventures while creating kid friendly recipes and enjoying a taste of these delicious foods!

Have a Ball with Bocce with Mr A Gr. 4-8 \$175

4/25

During this club, the students will learn the traditional game of bocce. In this fun after school activity, we will bring together students who enjoy the history, tradition, excitement, and fun that surrounds this great Italian game. This after school activity will consist of regular afternoon practice sessions and non-competitive games within the club (and with other clubs). The students involved in this activity will learn a variety of skills and techniques while having fun in this outdoor activity.

Thursday: 7 weeks || April 16, 23, 30 May 7, 14, 21, 28

Builders Club with Code Ninja Gr. 1-3, \$210

4/16

where young innovators bring code *to life!* In the first part of the program, kids dive into **Scratch Jr.**, learning the building blocks of coding through fun, interactive **game building**.

Then, the excitement ramps up as they **program real robots** to move, react, and perform challenges — watching their code come alive in action!

Lastly, they will bring LEGO STEM concepts to life through hands-on activities using LEGO® bricks. The program encourages collaboration and teamwork, as participants often work together on projects in a fun environment and share their creations with their peers.

It's the perfect blend of creativity, logic, and hands-on tech fun that builds confidence and inspires a lifelong love of STEM.

Art Club with Mrs. Lorenti: Gr. K-4, \$200

4/20

Have fun creating a variety of fun art projects.

Soccer with Miss McGee Gr K-3 \$210
